12C CALLE CARTAGENA FLATS is a spacious penthouse level studio that captures ocean views from a perfectly placed living room. An ocean view balcony off the master bedroom allows for extra light and breeze to flow through the home. A formal living room and dining room make this spacious studio function well for a long term living.

- Ocean view living room
- Vaulted ceilings
- Ocean view master bedroom balcony
- Sold as a corporation, proportional shares tied to each unit
